

OVER 250,000 HAND TOOL RELATED INJURIES OCCUR EACH YEAR REQUIRING **EMERGENCY HOSPITAL TREATMENT**

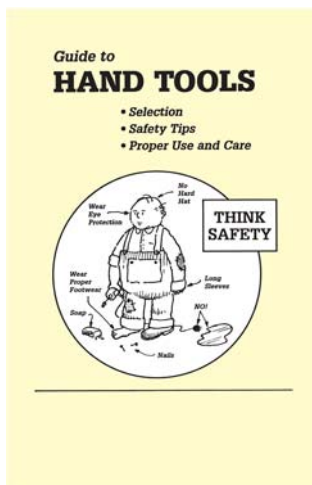

An important objective of The Hand Tools Institute is to educate the hand tool user on the safe and proper use of hand tools. Industrial safety training programs, vocational school classes, and do-it-yourselfers have found HTI's safety education materials valuable in preventing misuse of hand tools.

Hand tool safety educational material available from the Hand Tools Institute consists of the following:

202 Video - Hand Tool Safety in the Workplace - Over 100 ways to avoid misuse and abuse of hand tools to prevent accidents are demonstrated in this attention-getting 30-minute training video, using an industrial environment.

203 Safety Guide Book - This 90-page, easy-to-read, illustrated reference covers 12 common hand tools and includes basic descriptions and tips on proper and safe uses, and avoiding misuse and abuse.

214 General Hand Tool Safety Poster- 17" x 22" four-color safety poster that alerts tool users to the **"do's and don'ts"**. Don't risk injuries; getting the hand tool safety message to tool users is important.

215 Automotive Tool Safety Poster- 17" x 22" four-color safety poster that focuses on tools used in automotive applications.
